

IMS POLICY	DOC. NO. WCPL: IMS: 03	PAGE NO. 1 of 1
	ISSUE NO. C	REV NO. 01
	DATE. 01.12.2018	DATE. 24.01.2019
ANNEXURE-6		

Integrated Management System (IMS) Policy

(ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018)

We are committed to Achieving business excellence as a manufacturer of Silent Diesel Generating Sets, its Acoustic Enclosures & Electrical Panels through continual improvement of IMS processes. We are also committed to eliminate hazards and reduce Occupational Health and Safety risk by facilitating management control of safety, health and environmental practices and assessing compliance obligations and other requirements.

We will achieve this by:-

- Enhancing customer satisfaction by producing Quality products with compliance to International standards.
- Continuously working towards reducing response time.
- Developing environmentally sound products, processes, and helping to protect the environment and Prevention of the pollution.
- Provide a work environment, where the injury and ill health is prevented, and a healthy working environment is always maintained.
- By communicating with workers & workers' representatives.
- Provide adequate resources including infrastructure and competent manpower.

We shall review the effectiveness of Quality, Environment, and Occupational Health and Safety management systems to achieve continual improvement.
